

## 300W 2.1ch Sound Bar

**SN4**  
Product Sheet

### DTS Virtual:X™

DTS Virtual:X™ gives you a surround sound-like experience, without the array of speakers and wires placed in strategic points around the room

### AI Sound Pro

AI Sound Pro analyses content and automatically optimises audio settings to suit what's playing to enhance the sound experience

### HDMI In/Out, Optical & USB

Add Bluetooth connectivity to your audio setup and even connect with optical or HDMI cables

### Great sound for your cinematic experience

Add depth, clarity and power to your TV by connecting to the LG SN4 Sound Ba. Featuring DTS Virtual:X and AI Sound Pro with a total power of 300W from 2.1 channels. The sound takes your enjoyment to the next level, with easy connectivity using optical or HDMI.
