

ideacentre AIO 3i

DESIGNED TO PERFORM & IMPRESS.

Great things do come in the smallest packages. Housed in a sleek and compact frame, Lenovo™ IdeaCentre™ AIO 3i delivers peak performance with up to 11th generation Intel® Core™ i7 processor and discrete graphics, while holding mountains of storage with 1 TB SSD. Three-sided narrow bezels on the FHD display and Harman®-certified stereo speakers make this the consummate family PC.

WHY YOU SHOULD BUY LENOVO IDEACENTRE AIO 3i

A pint-sized powerhouse

The IdeaCentre AIO 3i packs a wallop from behind a compact chassis. Experience seamless and blazing performance on even the heaviest workloads, thanks to its up-to Intel® Core™ i7 processing and discrete graphics up-to NVIDIA® GeForce® MX450. Your household now has a store for its vast media library. Amass up to 1,000 movies, 30,000 songs or 40,000 photos with up to 1 TB of solid state disk storage, which offers faster boot times, file transfers and system responsiveness.

Designed to make sense

Multi-tasking between your phones and PCs could be a hassle. The slim and compact IdeaCentre AIO 3i now comes with a dock on its stand to place your mobile phone, helping to facilitate multi-screen engagement. Its sleek design hides a camera with up to 5M clarity that makes your video conferencing and chatting more real and enjoyable. Just shut down the camera and control who gets to see you. The IR camera on selected models and Windows Hello also lets you login quickly and securely through facial recognition.

Crystal-clear screen and sounds

With a three-sided thin and narrow bezel design, the IdeaCentre AIO 3i offers wide-angle viewing on a Full-HD display. View vibrant colors in crystal-clear quality at almost any angle, so you can share with friends and family. And with the optional touchscreen, clicking and dragging files is more intuitive than ever. With a Harman Kardon®-certified audio system, the IdeaCentre AIO 3i streams sharp and true-to-life audio over two 3W stereo speakers.

More connectivity options

The IdeaCentre AIO 3i offers even more interface options this generation, with two USB 2.0 ports, two USB 3.1 Gen 2 Type-A ports to reach max data transfer speeds of 10 GB per second, a Power DC Jack and an HDMI™-Out. Other connectivity options include a 1000 LAN, a microphone/earphone combo.
