- Dimensions: 170 x 72 x 70 mm

PHILIPS

Wireless speaker
IP67 dust/water protection Bold bass, Built-in mic for calls, Up to 12 hours of music

Highlights

Small speaker. Bold sound

From parks to campsites—bring the music you love wherever you go! This portable speaker gives you clear sound and the bass is big and bold thanks to dual passive radiators. Want to rock even harder? Pair two speakers for party-starting stereo.

12 hours play time

Cranking up the tunes? This speaker can keep going as long as you can. You get up to 12 hours of play time from a fully charged speaker. More than enough for a workout or a party around the campsite fire.

IP67 dust/water protection

From the trail to the beach to the pool—an IP67 rating ensures this speaker can go anywhere. The detachable lanyard makes carrying easy and a Bluetooth range of up to 20 m means you won't miss a beat. Even if your phone is a long way from the speaker.

Bluetooth multipoint

Mix and match your workout playlists! With Bluetooth multipoint connectivity, you can connect up to two smart devices to this speaker simultaneously—and take turns pumping up the tunes. If a call comes in, the built-in mic lets you take it without disconnecting your phone from the speaker.

Easy control

Buttons on the speaker's outer case let you control volume, music playback, stereo pairing and Bluetooth. Want to tell your phone to play a certain song? Press and hold the play/pause button to talk to your voice assistant.

Hands-free calls

Hands-free calls. Push-to-talk voice-assistant activation
