Cordless Angle Grinder

AXXIO 36/230 Q

Item No.: 4431160

Ident No.: 21010

Bar Code: 4006825658514

The Einhell cordless angle grinder AXXIO 36/230 Q is a member of the PXC family. 2x 18 V batteries are required for operation (recommended: 3.0 Ah or higher). TWIN-PACK technology and a brushless motor offer increased power and longer running times, and the quick-action clamping nut makes for fast, tool-free disk changes. The rotatable main handle, disk guard with quick adjustment feature, anti-vibration function and slim design with soft grip surfaces all combine to make this a comfortable tool to use. The additional handle can be mounted in 3 positions. For safety it features a soft start function and start-up protection, and a battery guard. The aluminum gearing housing and the overload protection both contribute to a long service life.

Features & Benefits

- A member of the Power X-Change family, two 18V batteries required
- TWIN-PACK technology: Two 18V PXC batteries – more power
- Brushless motor – more power and prolonged operation
- Quick-fix slot for changing the wheel quickly and without tools
- Turnable main handle for maximum flexibility
- Low-vibration operation thanks to anti-vibration function
- Wide range of applications thanks to the large cutting depth 70mm
- Softstart function and restart safeguard to make it safer to use
- Overload cut-out for a long service life
- Metal battery guard protects against flying sparks and dust
- Quick-adjust wheel guard for flexible working
- Robust aluminium gear housing
- Slimline design with ergonomic Softgrip
- Additional handle can be fitted flexibly in 3 positions
- Recommendation for optimum results: 3.0 Ah battery or higher
- Supplied without a battery or charger (available separately)
- Cutting wheel not included
