

SPINNER BT

Bluetooth Turntable – Black & Orange

Hear an instant connection to your record collection.

Instantly play your record collection with any Bluetooth speaker or headphones. Using aptX™ HD encoding, there is no sonic compromise. The sound from your records is as good as with wires. The JBL Spinner BT includes analog outputs for existing Hi-Fi systems, with a phono pre-amp built in for use with active speakers. Using an aluminum platter and tonearm, the JBL Spinner BT is testimony to the joy of music and vinyl records.

Features

- ▶ Bluetooth with aptX™ HD
- ▶ Vibrant design with colorful highlights
- ▶ High quality record playing components
- ▶ Removable headshell
- ▶ Aluminum platter with belt drive
- ▶ High quality moving magnet cartridge factory fitted.

SPINNER BT

Bluetooth Turntable – Black & Orange

Features and Benefits

Bluetooth with AptX HD™

Quickly pairs to your Bluetooth speakers or headphones for an instant connection to your record collection. Using AptX-HD encoding, there is no sonic compromise.

Vibrant Design

Your personal statement of the warmth and joy that Vinyl brings to your life, a more intimate relationship with your favorite music artists.

High Quality Components

Hear the quality of records without destroying them in the process. The high quality Aluminum tonearm ensures excellent tracking of the record groove, without wearing it out. The wooden plinth ensures excellent sound over plastic alternatives, whilst being more sustainable.

Removable Headshell

The end of the tonearm, where the cartridge is fitted, is called the headshell. It is removable making it easy to replace and upgrade the cartridge.

Aluminum Platter and Belt Drive

The Aluminum platter is driven by a belt drive and motor with an optical sensor underneath to ensure your records are played perfectly in time at 33.3 rpm for albums, or 45 rpm for EPs and singles.

High-quality moving magnet cartridge pre-installed

Use the JBL Spinner BT straight from the box with a high-quality moving magnet cartridge already installed and aligned.

What's in the box:

- Tunntable
- Drive Belt
- Aluminum Platter
- Felt Matt
- Headshell and Cartridge
- 45 rpm single adaptor
- Power Supply
- Dust Cover and 2 Hinges

Specifications

Type	Turntable
