SWIFT POWER CYCLONIC

SWIFT POWER CYCLONIC
Bagless vacuum cleaner
R02932EA

Smart and compact cleaning

The Rowenta SWIFT POWER CYCLONIC vacuum cleaner offers deep-cleaning results in a compact frame, for everyday home solutions made easy. Advanced cyclonic technology comes together with a high-efficiency suction head to deliver dust pick-up performance you can count on day after day, with all the benefits of modern technology in a canister vacuum cleaner and a compact design for easy handling and storage.

PRODUCT BENEFITS

Advanced cyclonic technology

The power of Advanced Cyclonic technology produces a high level of air and dust separation, for strong cleaning performance with long-lasting results.

Wide-action cord radius

A 7.6 m radius offers exceptional range, for high-performance cleaning that covers every inch of your home environment.

Deep-cleaning results

Packing powerful performance into a compact frame, discover cleaning that couldn't be easier, with a high-efficiency suction head and Effitech motor ensuring a spotless home environment you can take pride in every day.

Bagless canister format

Discover all the benefits of a bagless canister vacuum cleaner, designed for maximum convenience and dependable cleaning performance day after day.

Compact size

Designed to fit your lifestyle, the compact frame caters to living spaces with limited storage, providing ultimate access during cleaning and total convenience every day.

High filtration system

Thanks to its high efficiency filter, SWIFT POWER CYCLONIC filters 99.98% of dust and offers a healthy environment.

Easy-to-clean dust container

The convenient bagless format is easier than ever, with a container design that makes cleaning and emptying effortless, while offering all the performance and benefits of modern cyclonic technology.

Repairable Product - 10 years
