

# WAVE NEO

SKU: 10MAI9901

EAN: 0840006673460

## SOUND GREAT

Capture your voice in all its detail

- High-quality audio is not just for podcasters and large production sets anymore.
- Helps you sound like yourself.

## AUDIO MADE EASY

### Plug 'n' play audio

- Sounds natural out of the box, Wave Neo is built to make your voice sound great without touching any settings.
- Works with almost any system: Windows or Mac
- iPad-friendly for great video on the go.
- Compatible with PS4/PS5 and the console's Discord integration.
- Small footprint desk stand at an ideal height so you can position it close to you and talk directly into the microphone.
- Low profile to stay out of sight when you're on camera and does not obstruct your view.
- LED indicator to show when your mic is on or off
