TEMPORARY INFORMATIONS

FEATURES

- 2 ATTRACTIVE FINISHES
- COMPATIBLE WITH TANGENT EVO WALL MOUNT
- DANISH DESIGN

The new Spectrum range by Tangent brings you contemporary design and style in a compact package. The range benefits from a wide dispersion 25mm soft fabric dome tweeter together with a 4 or 5 inch long throw paper bass driver with protective metal mesh grille. These compact stand or shelf mount monitors are available in attractive midnight black or polar white matt finishes with walnut base plinths.

Available finishes

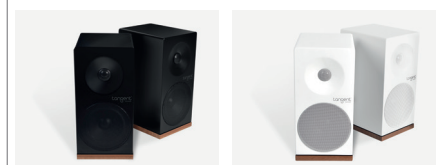

Black satin

White satin
