Print, scan, copy – home printing made easy

The ideal home All-In-One, letting you print, scan and copy documents and photos at speed without compromising on quality. Simple to use, the Canon PIXMA MG2556S is a stylish, compact and desk-friendly device with powerful features for every home user.

Affordable device, premium print quality

The Canon PIXMA MG2556S offers incredible value for money: an affordable home printer that produces superior quality documents and photos. FINE Cartridge technology means deep blacks, vivid colours and a stunning level of detail.

Up to 30% lower cost per page

Using the optional high-capacity Canon XL ink cartridges, you can save as much as 30% on the cost per page compared to their standard equivalents. Get more pages per cartridge and go longer between cartridge replacements; the Canon PIXMA MG2556S won't cost the earth to run.

Be creative

Easily organise and print your photos with the face-recognition features of My Image Garden app, while CREATIVE PARK PREMIUM opens a world of creative possibilities with its selection of designs from professional artists, all available for you to use as postcards, calendars, birthday cards and much more.

Energy saving built-in

Use less energy with Auto Power On/Off. Hit print on your laptop and watch as the printer immediately emerges from its power-saving mode, ready to print without even switching it on.
